Estimated Cost of Project or Initiative \$ _____

Describe the proposed mitigation measure as well as the population that will benefit:

**1. Which of the following LMS goal(s) and objectives does the Project address?
Mark with an X.**

☐ **Goal 1: Reduce the loss of life and property**

- ☐ Objective 1.1 Reduce flooding and/or wind damage.
- ☐ Objective 1.2 Eliminate or retrofit repetitive loss properties.
- ☐ Objective 1.3 Retrofit and/or construct new critical facilities.
- ☐ Objective 1.4 Protect and restore areas susceptible to erosion.
- ☐ Objective 1.5 Improve local roadways to ensure safe, efficient, evacuation.
- ☐ Objective 1.6 Reduce the potential threat of fires, wildland and structural.
- ☐ Objective 1.7 Increase public awareness of hazards and their impacts.
- ☐ Objective 1.8 Evaluate codes, policies, ordinances, and regulations for natural hazards.
- ☐ Objective 1.9 Reduce exposure to potential environmental hazards.

☐ **Goal 2: Achieve safe and fiscally sound, sustainable communities.**

- ☐ Objective 2.1 Integrate hazard reduction into local planning and development processes.
- ☐ Objective 2.2 Enhance environmental quality and/or function of natural resource.
- ☐ Objective 2.3 Prepare informational materials explaining the positive relationship between sustainable communities and disaster-resistant and resilient communities.
- ☐ Objective 2.4 Create and maintain current an all-hazards database.
- ☐ Objective 2.5 Promote implementation of cost-effective mitigation projects.
- ☐ Objective 2.6 Enhance geographic information system (GIS) capabilities for use in hazard analysis.

Explain how the project supports the LMS goals and objectives:

☐ **Goal 3: Facilitate orderly recovery during post-disaster redevelopment.**

- ☐ Objective 3.1 Create more resilient disaster-resistant businesses.
- ☐ Objective 3.2 Ensure economic viability of the local business community following disaster events.

Explain how the project supports the LMS goals and objectives:

☐ **Goal 4: Optimize the effective use of all available resources.**

- ☐ Objective 4.1 Establish public/private partnerships.
- ☐ Objective 4.2 Establish procedures strengthening intergovernmental coordination and cooperation.

2. Which of the following hazard(s) listed in the LMS does the mitigation project address?

Mark with an X.

a. Highest Hazards to Likely Occur:

- ☐ Flooding ☐ Epidemic (Pandemic)
☐ Wind Event – Severe Storm (Hurricane, Tornado, Tropical Storm)

b. 2nd Highest Hazards to Likely Occur:

- ☐ Hazardous Materials Accident, Wellfield /Surface ☐ Terrorism/Sabotage
☐ Wildfire ☐ Water Contamination

c. 3rd Highest Hazards to Likely Occur:

- ☐ Erosion ☐ Drought ☐ Radiological Incident ☐ Power/Communication Failure
☐ Transportation System Accident

3. Please list any laws, policy, or legislation (existing or proposed) for which the project may be in conflict. List potential permitting issues.

4. The project is contained within which of the following plans? Mark with an X and site the location.

PLAN	X	LOCATION
Comprehensive Emergency Management Plan (CEMP)		
Jurisdiction's Comprehensive Plan		
Capital Improvement Plan (CIP)		
Continuity of Operations (COOP)/ Continuity of Government (COG) Plan		
Other Government Plan. List Below:

5. The project benefits the health and safety of which of the following? Mark with an X. A map must be provided.

JURISDICTION	X	JURISDICTION	X
Fort Pierce		St. Lucie Village	
Port St. Lucie		Unincorporated St. Lucie County	

6. The project benefits the health and safety of which of the following? Mark with an X. A map must be provided.

67% to 100% of the County population	
33% to 66 % of the County population	
Less than 33% of the County population	

7. The project is needed for which essential services? Mark with an X.

ESSENTIAL SERVICE	X	ESSENTIAL SERVICE	X	ESSENTIAL SERVICE	X
Custodial Care		Food		Utility	
Educational		Medical		Shelter	
Emergency		Police		None	

Explain how the project benefits chosen essential service:

8. The project provides mitigation for which critical facility? Mark which Critical Facility with an X. Explain how the project benefits chosen essential service:

CRITICAL FACILITY	X	CRITICAL FACILITY	X	CRITICAL FACILITY	X
Hospital		Assisted Living Facility		Fire Station	
Medical Facility		Radio Broadcasting Facility/Newspaper		Police Station	
Nursing Home		Educational Facilities		None
